

How to find us

By road:

Take Junction 10 off the M25 onto the A3 South towards Portsmouth.

Continue through Guildford bypass and just after Guildford (past the brow of the hill) take the left hand slip road signposted to Godalming. At the mini roundabout take the first exit which is the B3000 through Compton. At the end of this road you reach another roundabout.

Turn right onto the A3100 which is signposted to Godalming.

Continue straight along this road until you reach another roundabout and take the first exit signposted to Godalming town centre and superstores.

Turn left at the next mini-roundabout. Keep in the right hand lane and follow the road through two sets of traffic lights (Waitrose car park will be on your right).

Beaucroft can be found on the right hand side shortly after the second set (just past a large modern church). Parking is available to the rear of our building.

By rail:

Trains leave from London Waterloo for Godalming approximately every half an hour.

The journey takes about 50 minutes. From the station, it is about a 5 minute walk to our studio.

Walk out of the station onto Station Approach.

Turn right down Mill Lane and the Mint to Station Road. Turn right again and keep walking until you reach a large modern church building.

Beaucroft is directly afterwards.
